In presenting this Catalogue, we hope that our customers will give the same the attention it deserves; they will find it worth preserving. It offers a valuable assistance in making selections and sales for goods not in stock. We also would request our customers to be very particular when ordering goods to state what cover and trimmings they desire and whether the frames are to be in Walnut or Ebony, with or without Gilding. We can make any Suit in Mahogany if desired.

Respectfully Yours,

Being strictly wholesale, we accept no orders unless introduced by a Dealer.
